MINING STOCK REPORT.

THE KELSEY YACHT.

Chicago certain to Secure Nursery and Keeling Honors in the Stand-Whites W. W. Sleeper and Pet Hermann set Doings-35 Hours with still an Error-50 and 60 Feet on the Kelsey Nursery Yacht.

There is scarcely too much to be said in regard to the yacht race which is to take place in Oakland, as the interest not only of the people of Oakland, but of the entire State, is centered in the result. During the past few years over 2,000 houses have been erected in Oakland, but houses for the use of a number of parties who have only a very limited capital and builders to provide houses for will be supplied during the next few years. During the past few years over 2,000 houses have been erected in Oakland, but houses for the use of a number of parties who have only a very limited capital and builders to provide houses for will be supplied during the next few years.

THE MECHANICS' FAIR.

Preparations for the Opening--Twelfth Annual Exhibits to Take Place in the Art Gallery.

The preparations for the opening of the Fourth Industrial Exhibition, which is to be held in Oakland, as the interest of the people of the State, under the auspices of the Mechanics' Institute, on the 11th of August, is being energetically pushed forward by the Board of Managers. Within the past three weeks the order galleries have been removed by the carpenters and the interior of the Pavilion and Science Hall is undergoing its original appearance. Experiments are to be taken with the view to determine the best method of lighting the Pavilion. The opening exercises are to be held in the Art Gallery. This will afford the audience a better view of the speakers and the platform.

THE PRESBYTERIAN CHURCH.

Progress of the Work and the New Edifice.

Work on the new Presbyterian Church is progressing rapidly. We are informed that it will be completed by the middle of October. The building is to be of brick, and will be a handsome structure. It is to be situated on the corner of Broadway and Twelfth streets, and will be a credit to the city.
